DETAILED ACTION

Acknowledgment

1. The amendment filed on 6/28/2007 has been entered.

EXAMINER'S AMENDMENT

2. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. James Flight on 8/17/2007.

The application has been amended as follows:

Claims 20-21, 34, 36-38, 42 and 44 are cancelled.

Allowable Subject Matter

3. Claims 1-19, 22-31 and 51 are allowed.
4. The following is an examiner's statement of reasons for allowance.

The prior art does not teach the child entertaining apparatus as recited in claims 1, 15, 23 and 51, which include a base, a seat and a wheeled walk-behind walker to at least partially support the seat above the base. The wheeled walk-behind walker is being removable from the base and the seat. The wheeled walk-behind walker includes at

least one wheel in contact with the base when the wheeled walk-behind walker at least partially supports the seat above the base. The base includes receptacles for receiving the wheels of the wheeled walker and springs located at least partially beneath the wheels when the wheels are received in the receptacles to permit bouncing movement between the seat and the base. This recitation, in combination with the rest of the recited elements, clearly defines over the prior art.

The closest reading prior art reference is to Sanchez (4,480,846) having a base, a wheel walker having a seat. Sanchez does not have a wheel walk-behind walker and the springs, which are located at least partially beneath the wheels. The wheel walker is removable from the base, but not from the seat.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
